25 **III. DESCRIPTION OF FINANCING ARRANGEMENTS**

26 Applicant and certain of Zayo Group's current and future subsidiaries will
participate in new company-wide financing arrangements to be obtained in an aggregate

1 amount of up to \$350 million. Applicant and Zayo Group's other operating subsidiaries
2 will be borrowers and/or guarantors under the debt obligations and pledge substantially all
3 of their assets as security for the new company-wide financing arrangements.² The
4 financing arrangements are expected to include a combination of senior secured notes in an
5 aggregate amount of up to \$275 million and a revolving credit facility in an aggregate

7 competitive position with access to greater financial resources through the refinancing of
8 Zayo Group's existing long-term debt and access to additional long-term financing. The
9 funds to be obtained through the financing arrangements are necessary and appropriate, are
10 consistent with the performance by the Applicant of its services to the public, will not
11 impair the ability of Applicant to perform such services and will promote the corporate
12 purposes of the Applicant. The financing transaction will be transparent to customers and
13 will not disrupt service, or cause customer confusion or inconvenience.
